

Prime power rated for industrial
and mobile applications

Enclosed **DU Series**

GenAer diesel generators are built from the highest quality parts to offer years of reliable service. Select from the DU40G-ET and DU45G-ET standard power unit models.

- ⚡ Long lifespan
- ⚡ 208-240V/460V single or 3-phase
- ⚡ Low Speed 1800 RPM Operation
- ⚡ Excellent fuel efficiency
- ⚡ Full weatherproof enclosure

Why choose the DU40G-ET

- ⚡ 40KW prime power output
- ⚡ 2.2L 4-cyl Deutz diesel engine
- ⚡ 1840 lb. weight

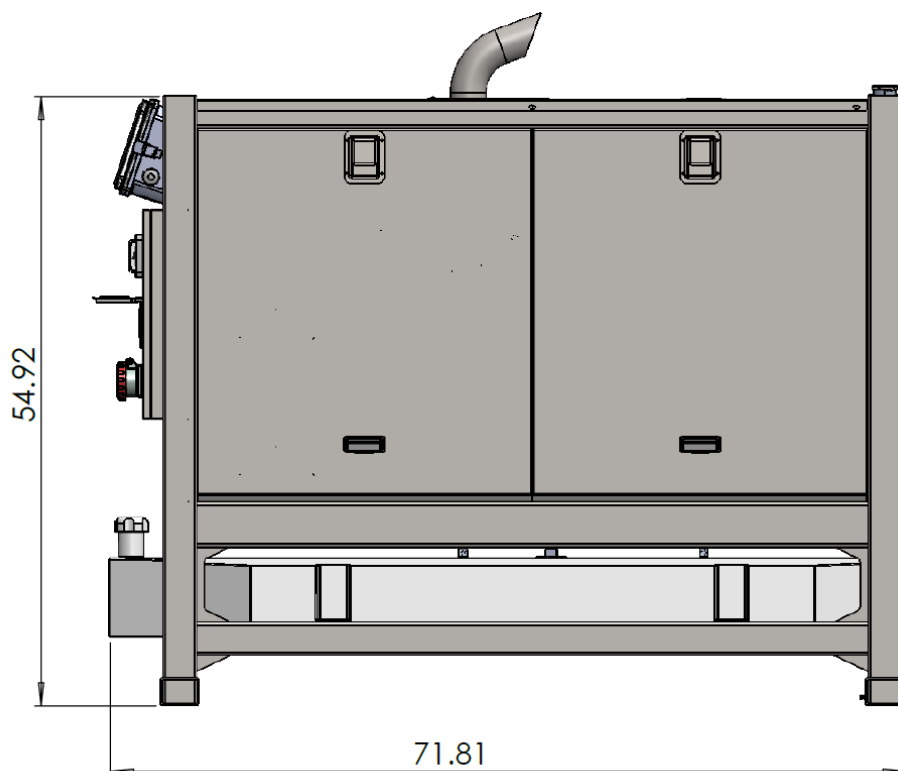

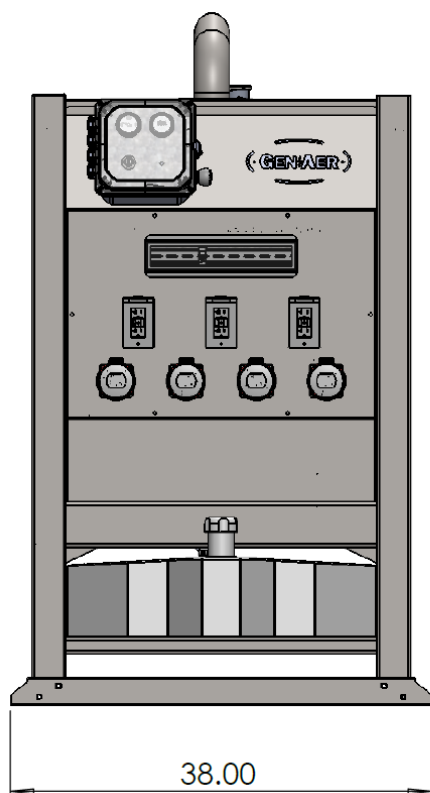

Why choose the DU45G-ET

- ⚡ 45KW prime power output
- ⚡ 2.9L 4-cyl Deutz diesel engine
- ⚡ 1940 lb. weight

Nothing Compares to **GenAer**
